

Learning Station Spring 2019

Paper Projects

ULB Class

Teachers: Donna LaRue, Carol Martin, Anna Martin

What to bring with you to class:

- * Scissors
- * hot glue gun (minis are fine)
- * small ruler
- * pencil
- * hard shell container to put pieces in as we work. I use a shoe box. Doesn't need to be fancy but large enough to not crush your pieces.
- o Optional: Paper sources include old hymnals, readers digest condensed books (raid the SaVal, Goodwill or other thrift store), or leftover bulletins. I will have lots of paper but if you have something special you would like to use, that's good too.
 - o Thin Ribbon
 - o beads or buttons

Homework: Only what you want to work on to move your project forward.

Week 1: kusadama petals made into flowers

Week 2: kusadama flowers made into halves or balls

Week 3: finishing kusadama balls for wreaths or hanging

Week 4: spiral paper rose technique

Week 5: assembling roses into topiary, wreaths or frames

Week 6: quilling basics & patterns

Week 7: quilling monograms

Week 8: book angels

Week 9 &10: paper dahlias, huge flowers, gift boxes
