

# 2019 Syllabus

## Watercolor Technique Class

*Donna Van Scyoc (Spring course.2019)*

- We will explore a variety of ways to use watercolor.
- We will learn how perspective, lines, color and texture can create distance and movement.
- We will study watercolor artists and use their techniques to create our own paintings.
- We will develop a sketch book.

Students will learn a variety of water techniques

1. Wet on wet, dry brush, splattering.
2. Using masking, salt, paper towels, and other objects
3. Painting backgrounds first
4. Painting light to dark
5. layering

Materials you will need are:

- Watercolor paper cold press 140 lb. (size 15x22 or larger)
- Brushes you will need will be
  - 1" flat brush
  - 1/2 " round brush. #7, #8 or #9
- Pencil and eraser.
- Sketch book
- Jar for water

This year I will provide the paints. I would like to have you work with good quality paints. If you already have paints you can bring them..
